

# Customer's Notes

- In course details we want to add course timings in hours and course days as a list
- After registration is completed, the user should receive the user and pass with a link to login in the email
- Receive form to be cancelled and replaced with a notification (we have received your application and will be processed in X days) that can be editable by the admin
- Adding delegates in details of registered delegates currently have a limit of 5 users
- In adding multi-delegates, please add the Prerequisites file uploads like the image below:
  - After choosing the course, the prerequisites should be changed in in this page
